ALTAWORLD

Event Overview

Altaworld proudly presents the 6th edition of Women in Insurance Tech (WITC) — a flagship platform celebrating the achievements, leadership, and innovation of women shaping the future of insurance technology. Taking place in the vibrant city of Boston, WITC 2025 brings together women leaders, entrepreneurs, change agents, and tech visionaries from across the insurance sector.

This specially curated 1.5-day agenda features high-impact keynotes, real-world case studies, interactive workshops, and dynamic networking opportunities—all focused on elevating women in digital insurance and technology leadership roles.

KEY HIGHLIGHTS

- **Trailblazing Leadership Discussions** – Roundtables on shaping the future of insurance technology, building diverse tech teams, and navigating leadership challenges.
- **Mentorship & Allyship** – Fireside chats on empowering women in the digital age.
- **Work-Life Balance & Wellbeing** – Sessions on retention in remote-first teams and harmony in high-growth roles
- **Inclusion & Identity** – Panel on LGBTQ & Women in Insurance leadership journeys
- **Technology Focus** – Talks on GenAI applications in insurance and automation in claims
- **Skill Development** – Workshop on Strategic Storytelling for Influence + panel on Upskilling for the AI-powered workplace
